Premium Fabric Strips 50x Strips

- ⊕ **Conforming** – Flexibility for comfort
- ⊕ **Non-Stick Wound Pad** – Protective cushion for the wound
- ⊕ **Extra Hold** – Adhesive that holds and last longer
- ⊕ **Island Dressing** – Seals all around, protecting the wound
- ⊕ **Extra Wide** – 25mm wide for extra coverage
- ⊕ **Transparent Adhesive** – No residue left on the skin after strip has been removed
- ⊕ **Treatment** – Cuts, Abrasions and Scratches

Trafalgar's Premium Fabric Strips contains a protective non-stick wound pad that seals all around, to protect and heal cuts, scratches and abrasions.

Premium Fabric Strips come in a **box of 50**; all are extra wide offering **25mm coverage** and have been manufactured with an extra hold adhesive, allowing to be removed when required.

Sterile and conforms easily to body's contours, recommended for general use that requires **added protection**.
