you're always in *safe hands*™

Reusable Hot & Cold Pack

- ⊕ Reusable and Microwavable
- ⊕ Cold Compress & Hot Compress
- ⊕ Bag Size: 135 x 275mm (WxH)
- ⊕ Comes with Towelling Sleeve

Trafalgar's Hot and Cold Packs can be used as both an ice pack and heat pack. The soft pack easily contours to most parts of the body providing a therapeutic relief.

Each pack contains **2x reusable hot and cold packs and towelling sleeve.**

Hot Compress

You can either heat it up in hot water or the microwave for your convenience.

Suitable for **muscular aches, menstrual pain, body stiffness, rheumatism and strains.**

Cold Compress

Simply put it in the freezer for at least 1 hour and it's ready to use.

Suitable for **headaches, migraines, bruising, swelling, sprains and tooth aches**
